WRITE INS

NOTE: If you have a write in, then it would be a new bird for the State of Arizona and you should document the sighting.

You can report sightings to a couple of different places.

First, report the sighting to Arizona Field Ornithologists at www.azfo.org.

Then report it to ebird at www.ebird.org.

You need to give as much information as possible about the sighting. Witnesses and photographs would also help in order for the sighting to be officially added to the Arizona bird lists.
