

DONATE

The Sonoran Audubon Society is a Chapter of Audubon Arizona and the National Audubon Society. We are a nonprofit charitable (501c3) organization dedicated to the conservation of wildlife, especially birds, and their habitat. This is accomplished through education of our membership as well as the community by conducting informative programs, field trips and conservation projects.

You can support our efforts through contributions which are fully tax-deductable.

If you do this, please make checks payable to:

Sonoran Audubon Society and send to the Sonoran Audubon Society, P.O. Box 8068, Glendale, AZ 85312.

Another way to contribute is to include a bequest to the Sonoran Audubon Society in your will. It could be as simple as the following:

I, _____ (Name), bequest \$ _____ to the Sonoran Audubon Society, a nonprofit conservation organization that meets in Glendale, AZ. Their address is Sonoran Audubon Society, P.O. Box 8068, Glendale, AZ 85312.
